Wine for a Cause

All proceeds from Winetasia will support 501(c)(3) nonprofit Kids FIRST. Our mission is to provide intervention and advocacy for children who are victims of, or witnesses to, crime. When the unimaginable happens to children in our community, Kids FIRST is part of the first response team that supports hope and healing. At Kids FIRST, children receive medical exams, forensic interviews, advocacy, and therapy when a report of criminal child abuse is made.

Kids FIRST serves between 600 and 800 children each year.
